Application Instructions

Circled letters on the form above correspond to the instructions below. **You must complete all shaded areas.**

A. Provide your Social Security number, your Driver's License, or your number from your Identification Card issued by the Department of Motor Vehicles and Public Safety, or the number on any other Identification Card issued by an agency of the State of Nevada or the Federal Government which contains a unique number and a photograph or physical description. If you do not possess any of the above identification or do not wish to provide the number indicated on any of the above identification, the County Clerk will issue a unique identification number to you.

B. Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

C. Provide the complete street address of your Nevada voting residence. A post office box or rural route is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: “on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station.” This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence.

D. Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Item 3.

E. If you do not list a party affiliation or if you affiliate with a minor party or as nonpartisan, you will receive a nonpartisan ballot. If you have left this block blank, you will be registered as nonpartisan. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write “none” in Item 6 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently registered and want to change your political party affiliation or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party affiliation so that the local election official receives it no later than 30 days before the election.

F. Check ONE box

G. You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.
